

## **Thermowood Cladding & Fence Slat Offer**

**17<sup>th</sup> October 2024**

- We can offer both cladding and fence slats in a thermally modified American Maple.
- This high quality, straight grained timber is aimed at the marine industry, but we are overstocked and are therefore offering the products at heavily reduced rates.
- The material is available in bundles as detailed below. We are not offering individual lengths.
- Delivery charges may apply dependant on postcode. The maximum pallet rate is £195 + VAT.  
Collection from Bristol available.
