

Thermowood Cladding & Fence Slat Offer

29th January 2025

- We can offer both cladding and fence slats in a thermally modified American Maple.
- This high quality, straight grained timber is aimed at the marine industry, but we are overstocked and are therefore offering the products at heavily reduced rates.
- The material is available in bundles as detailed below. We are not offering individual lengths.
- Delivery charges may apply dependant on postcode. The maximum pallet rate is £195 + VAT.
Collection from Bristol available.

**19 x 100 mm Thermowood PTGVJ Cladding (finished size 15x94mm) – 200m
£200 + VAT**

&

**25 x 50 mm Thermowood Fence Slat (finished size 18x44mm) – 200m
£100 + VAT**
